South Korea

Apply Today for International Internships with the UN

The United Nations CIFAL Global Network is looking for exceptional students like you to participate in distinguished internship opportunities at training centers in some of the most exciting cities in the world. **The next deadline to apply for any of these opportunities is November 15, 2017.**

Kennesaw State University and CIFAL Atlanta are teaming up to offer internships to Kennesaw State students at CIFAL training centers in:

- Manila, Philippines
- Jeju, South Korea
- Antwerp, Belgium

[Learn More](#)

These centers belong to a group of 16 global training centers known as the CIFAL Global Network, which operates as an arm of the United Nations Institute for Training and Research (UNITAR). CIFAL centers provide innovative training throughout the world and serve as hubs for the exchange of knowledge amongst government officials, the private sector and civil society.

Available Programs

The internship opportunities offered through the CIFAL Global Network give students the chance to work with the United Nations to improve living conditions for people around the world, all while gaining valuable experience and skills that will enhance your future career goals. Choose from the following available internships:

- [Human Migration or Gender Studies Internship](#)
[United Nations Training Center in Manila, Philippines](#)

- [Sustainable Communities Internship United Nations Training Center in Jeju, South Korea](#)
- [Sustainable Development Internship. Focus on Sustainable Development Goals, Social Entrepreneurship, Smart Cities and Human Rights United Nations Training Center in Antwerp, Belgium](#)

The United Nations CIFAL Center Internship Program is the only internship program of its kind offered to college students in the United States. The goal is to provide Kennesaw State University students with a truly unique opportunity to work alongside amazing and inspiring CIFAL center directors and staff as they develop and implement programs that directly support United Nations mandates, and specifically the Agenda 2030 and Sustainable Development Goals.

In addition to these programs, CIFAL Atlanta also offers an internship opportunity focused on youth engagement and education with ACTS Group of Institutions in Bangalore, India.
